

Tahoe City Wins Little League As Kings Beach Close

With 13 wins and only five losses, the Tahoe City Red Sox wound up the Tahoe Truckee Little League season on top of the ladder with the Kings Beach Giants in second place with 11 wins and seven losses.

In third place the Donner Lake Cubs won eight and lost ten, while the Truckee Lions finished in the cellar with four wins and 14 losses.

In make up games Monday, the Truckee Lions lost to Donner Lake 8 to 7 while the Truckee minors won their game 11 to 7 to wind up in second place in the standings.

Already plans are being made for next year when it is hoped to get started earlier.

The officials, managers, coaches, umpires and players wish to thank everyone who made the season so successful with special thanks to the mothers who took care of the refreshments and the dads and volunteers who umpired and donated time and material.

Dr. H. P. Tapia, league president, thanked the school district for permitting the use of the use of the grounds and equipment during the summer. He also reminded everyone that there is a greater need for more volunteer help for the next season.

There will be a board of directors meeting September 8 for the purpose of electing 1962 officers. Players were reminded to turn in uniforms so that the inventory can be completed.

Sponsors of the teams included the Truckee Lions Club, Tahoe City Rotary, Kings Beach Rotary and merchants and Clements Rock Products.

65 Participate In Local Horse Club

By Virginia O'Bear

Approximately 65 people have attended meetings of the Truckee Donner Horsemen's group and signed to join the membership. Three meetings have been held to date with the last one August 15, nominating and electing officers. Jim Sampson is general chairman and the board of directors are: Cal McKinley, Gene Stark, Lloyd Van Sickle, Frank Snyder, Clarita Richards and Hazel Freeman. Pro-tem secretary and treasurer is Phyllis Snyder. Virginia O'Bear is publicity chairman.

The association plans a moonlight ride with a barbecue of steak and baked potatoes, etc. September 1 or 2 so watch for the announcement in the Sierra Sun next week.

Continued on Page 10

OFFICERS WADE RIVER TO ARREST SUSPECT

Sergeant Roy Waters reported that Martin S. Jensen, 39, Chicago, is being held in jail here on suspicion of attempted burglary at the Texaco service station on the main street at 12:30 this morning.

Jensen, according to the officers threw a rock through the station window to gain entrance but was heard by Benny Davis who was nearby. Davis summoned Deputies Robert Schooley and Preston Patoude and the three chased the suspect into the Truckee river across the S. P. tracks from the station.

When Jensen refused their order to come out of the water, the deputies waded in after him.

SCHOOL OFFICES IN NEW QUARTERS HERE

The administrative offices for the Tahoe Truckee Unified School District are now located in the old Truckee elementary school building on Church Street. The move was made last week.

Aside from the district offices, presided over by Superintendent John S. Corbin, the building will be utilized as a storehouse.

All district activities, including the meetings of the board will be conducted at the new quarters, leaving only high school business at the former location where the rooms will be used for classes.

CHARGE FILED

Jerry Probst, 35, Reno, was released under \$525 bail following a hearing before Judge F. W. Wilson on a charge of petty theft and disturbing the peace filed against him by Dr. E. O. Hendrickson. The doctor charged that Probst took building materials from a place he is building at Donner Lake. Probst pleaded not guilty to the charges.

Guests At Lake Shore—

Mr. and Mrs. Joe Corro of the Lake Shore Motel have as their guests, Mrs. Helen Roeben and son, Eric from Honolulu. The visitor, a sister of Mrs. Corro also visited in Minnesota and they plan to return to Hawaii after several days in the bay area.

Mrs. Walter Bigelow of Auburn wrote the Sierra Sun that she has just returned from a 6,000 mile trip, covering eight states, three provinces and is thoroughly convinced that California tops them all.

Summit Girl Dies As Father Hurt In Kern Truck Crash

Last rites were held in Sacramento Monday for 13 year old Kathleen Pratt, daughter of Mr. and Mrs. Harry F. Pratt of Sacramento but for many years prominent residents of Soda Springs where he operated Pratt's Garage.

Kathleen, who attended the Donner Trail school until two years ago, was killed last Thursday when the truck in which she was riding plunged 150 feet into a canyon 35 miles east of Bakersfield.

The highway patrol said Kathleen was a passenger in a truck driven by her father. He was taken to the Kern General Hospital for treatment.

Patrolmen said Pratt apparently lost control of the truck on State Route 178 and the vehicle plunged into the canyon, throwing both father and daughter out.

The Pratts came to Soda Springs to establish their business in 1947. Later the garage burned but was rebuilt and the family continued to live there until two years ago, when they moved to Sacramento, although Pratt remained to operate the business and left only two months ago.

Another daughter, Nancy, lives in the east where her husband is stationed with the armed forces.

The sympathy of the entire community is extended to the family.

FIRE VIOLATORS ARE SENTENCED IN COURT

Ralph Violet of Truckee was fined \$50, which was suspended August 16 in the Truckee Justice Court, when he appeared before Judge Foster Wilson on a charge of abandoning a camp fire, August 1 in the vicinity of Wilson's Mill, north of Bennett Flat.

Henry Tocalini of the Tahoe National Forest Service also reported that George Wiley Patton of Houston, Texas and Earl Wallace Anson of Oklahoma were cited together in the justice court on a charge of having a camp fire without a permit and smoking in a very dry area. They both pleaded guilty and were given a choice of a fine of \$50 each or 10 days in jail, choosing the latter.

CONSTRUCTION MAN SERIOUSLY INJURED

A bulldozer operator received critical injuries Monday evening at 5:45 on the highway construction job six miles west of Truckee when he was struck by a swinging power shovel.

Robert Harkline, 49, Donner Lake, was cleaning up around the big shovel when the accident occurred, according to Burt Bush, superintendent on the job.

Harkline was rushed to the Tahoe Forest Hospital for emergency treatment and later removed to the Washoe Medical Center. His condition Tuesday was reported as "fair."

BOYS APPREHENDED FOR DUNKING AUTO

Five Truckee boys were apprehended Tuesday afternoon after they stripped a car belonging to one of the group and pushed it into the Truckee river near the Denney Mill. Deputy Leo Zander notified the group to have the wreck out of the river within five hours which was done with the aid of Thornton's big tow truck, all paid for by the culprits.

POLIO CLINIC TO BE HELD HERE FRIDAY

Dr. Elbridge J. Best, the Nevada County health officer, announces that an immunization clinic will be held in the old elementary school building in Truckee between 12 noon and 1:30 p. m. Friday, August 25.

The importance of immunization especially against polio, cannot be overstressed, Dr. Best declared in urging everyone to take advantage of the clinic tomorrow.

Family Guests—

Rev. and Mrs. C. J. Crawford had as their weekend guests their son-in-law and daughter, Mr. and Mrs. Sam Kampschmidt, Sammy, Janis and Diana of Stockton. The latter has been visiting her grandparents for the past two weeks.

Frinds From South—

Mrs. Maude Gaffield had as her guests, Mr. and Mrs. J. W. Godwin of Shreveport, La., the couple were en route home from Hawaii.

New Hobart Road Will Be Open To Traffic On Friday

Alan S. Hart, district engineer for the division of highways, who was here to speak before a meeting of the Truckee Rotary Club Monday night, announced that the new road between Truckee and Hobart Mills will be opened to travel Friday.

He also expressed the belief that the Brockway Shortcut would be opened during the latter part of September, while the schedule on the Kings Beach route, State Route 28, is still set for November 2.

Isbell Construction Company crews are currently engaged in placing guard rails and polishing up the section of Highway 89 between here and three miles north of Hobart Mills. This is one of the most scenic routes in the Sierra in its new location west of the Prosser reservoir.

This new road was made possible through a cooperative arrangement between the state and the bureau of reclamation. The former financed the improvements while the bureau paid the cost of rerouting the highway to bypass the new reservoir.

R. R. RICHARDSON IS DEAD IN PALM BEACH

Raymond R. Richardson, 73, the second member of the well known pioneer Truckee family to die within recent weeks, succumbed at his home in Palm Beach, Florida following a lengthy illness.

The deceased was a native of Truckee, born here September 1, 1888. He studied at the University of Nevada and received a degree in law from the University of Virginia at Charlottesville. Richardson served in World War I and stationed with the forces of occupation in Germany. As a civilian he continued law practice at Richmond, Va., later going to Palm Beach where he was identified with civic and church affairs. Last rites were held August 23 in the Episcopal church with burial in West Palm Beach.

His widow, also a nephew Warren Bruce Richardson and grand nephew Mark Richardson of Reno are survivors. His brother Warren Richardson of Reno recently died.

JOSEPH SHELL VISITS HERE ON CAMPAIGN

Joseph C. Shell was greeted at the Truckee airport by a small group of local businessmen Friday as he made a tour of this area in behalf of his campaign for the nomination as governor on the Republican ticket.

Although only 43 years of age, Shell has been an independent businessman in Los Angeles for the past 20 years and has had five terms in the state legislature. He has a college degree in business administration from USC and was a pilot in the navy during World War II. For the past three years he was assembly republican floor leader.

The group which met Shell at the airport was headed by Supervisor H. G. Loehr, N. F. Dolley, Daven Morey and Francis Longo.

The legislator flew here from Auburn and following the brief visit went to Nevada City. He was accompanied by James Grubbs and the latter's son, Donald from Roseville.

TAHOE ZONE HEARING SCHEDULED FRIDAY

AUBURN—A public hearing to air requests from property owners for the reclassification of lands in an area from Homewood to Chambers Lodge, Lake Tahoe will be held by the Placer County Planning Commission at 10 a. m. on Friday in the court house.

A second hearing also is scheduled on September 15 in Tahoe City, Lake Tahoe. Both hearings are to consider a petition submitted by property owners to amend a section of the county ordinance to classify the lands as single family residential.

INFANT EXPIRES

Kevin Mark Arthur, infant son of Mr. and Mrs. Paul K. Arthur of Tahoe City, expired shortly after he was born on August 1.

In Hospital—

Pete Lazzari is undergoing treatment at the Tahoe Forest Hospital for an infection in one foot.

Homewood Man Is Regatta Winner In Yacht Club Event

LAKE TAHOE — Bob Frost of Homewood won two races at the Tahoe Yacht Club Regatta. He captured the events for 140 and 160 and under horsepower engines.

Other winners: Class B hydro—Rocky Mullin, San Mateo; 115 HP—Fred Gellert, Kentfield; class B utility—Mullin, San Mateo; women's 115 HP—Stanley Good, Atherton; women's 140 HP—Karen Frost, Homewood; 210 HP—Charles Rizzo, Atherton; 240 HP—Risso, Atherton; 325 HP—Walter Merksamer, Belmont; ski boats and drag, no superchargers—John Sofilos, San Francisco; ski boats and drag, superchargers—Sofilos, San Francisco; 25 foot or longer class—Lewis Marsten, Jr., Tahoe City; relay—Marshall Crouse, Dick Clark, Don Hauserman, C. Van Dessoneck; bang and go back—Jim Miller, Sacramento.

Director Zeph Rose said that all engineering for the first phase of the work has been completed and the necessary land exchange between the district and the U. S. Forest Service is completed. With receipt of the \$94,000 bids will be called on the initial work. This money is expected within the next two or three weeks.

Crystal Bay Man Killed In Accident

CRYSTAL BAY—Jack Dyer, 44, a cook at the Monte Carlo Club at Crystal Bay, was killed Friday when the car in which he and a woman companion were riding catapulted off State Highway 28 near Hidden Beach.

Dyer was killed outright, Addie B. Goldman, 55, of Las Vegas, was taken to the Carson-Tahoe Hospital and later transferred to Washoe Medical Center for treatment of injuries which were described as "extensive."

The woman was a dealer at the casino. Washoe County sheriff's deputies said the car was traveling at a high rate of speed when it veered off the road, struck the rock embankment along the road and vaulted 50 feet into the air.

Officers said they had not determined who was driving. Dyer was born in Muskogee, Okla., and was a veteran of World War II.

GUY WILSON FINISHES COURSE IN OREGON

Guy Wilson of Truckee, has recently completed a six weeks national science foundation institute at Southern Oregon College, Ashland, Oregon, it was announced by Dr. Irene Hollenbeck, director of the institute.

Fifty-four participants from 21 states and one foreign country were chosen by the college selection committee on the basis of past records, educational background, and need for the program, which was devoted to the improvement of general science teaching at the junior high school level. All selectees must have taught at the junior high level and must have signed up for junior high school teaching during the coming year, Director Hollenbeck said.

BUS DRIVER SEEKS DAMAGE FROM STATE

Sebastian W. Busher, 50, driver of the Greyhound bus involved in the killing of four persons in an accident at Emigrant Gap May 25, has brought suit in Placer County Superior Court for \$60,000 personal injury damages.

Busher is suing the state of California, charging a division of highways truck was negligently operated, causing the accident. The truck driver was among those killed, the other three were Greyhound passengers.

EVENING CLASS WILL START AT COLLEGE

Registration hours were announced today by Frank D. Van Vliet, director of extended day classes, for students attending evening classes only at Sierra College, this fall. The college offices will be open August 28, 29, 30 and 31, between 6:30 and 9 p. m. to enroll evening students.

BUDGET ADOPTED BY PLACER SUPERVISORS

AUBURN—The board of supervisors has adopted a \$7,299,170 budget for the next year and indicated the tax rate would remain at about \$1.90 to finance county operations.

The supervisors will meet next Tuesday to set officially the rate, which will raise about 25 per cent of the total budget.

Interest Free Loan Will Aid Work On New Airport Here

Senator Clair Engle and Representative Harold T. Johnson in separate wires to the Sierra Sun this week revealed that the housing and home financing agency reported the community facilities administration is advancing \$9,200 for additional facilities at the Tahoe Truckee airport.

The loan is interest free and the money will be used for advanced planning on the local project, Jack Houlgate, chairman of the board announced.

Actual work on the airport may get under way this fall depending upon the acquisition of an approved \$94,000 from the federal government.

Director Zeph Rose said that all engineering for the first phase of the work has been completed and the necessary land exchange between the district and the U. S. Forest Service is completed. With receipt of the \$94,000 bids will be called on the initial work. This money is expected within the next two or three weeks.

Workshop Planned For Teachers Here

A workshop for the certificated personnel of the Tahoe Truckee Unified School District will be held from September 5 through 7. Superintendent John S. Corbin announced this week. Schools are scheduled to open September 11.

Corbin will preside at the general meeting on September 5 in the administration building, formerly the old Truckee elementary school, when the session will start at 10 a. m. The speaker on that occasion will be Dr. Lester Reukema of the science department at the University of California at Berkeley who will discuss "Out of this World."

The September 6 meeting will also be held at the administration building and will be for elementary teachers only. Dr. Joseph R. Kotrlak of Sacramento State College will address the group on science program and class. This meeting will start at 9:30 a. m.

At the same time, the high school teachers will be meeting at the high school with Principal Harold Drummond.

On September 7, the high school teachers will meet at the administration building between 9:30 a. m. and 3:30 p. m. for instructional materials center workshop.

The elementary teachers will meet in their own schools during this time to discuss programs with their principals.

BENEDICTINE MONK AIDS LOCAL PASTOR

Father John Corrigan, S. J., professor at the University of Seattle will leave this week to return to Washington and will be replaced for the remainder of the season in the local Catholic Parish by Father Mulachy Murphy of St. John's Abbey, Collegeville, Minn. He is a professor at Woodside Priory in Pirter Valley, California.

Father Murphy is a member of the Benedictine Monks at St. John's Abbey.

Father James Mulligan, assistant local pastor, returned last week from a vacation visit with relatives in Ireland.

BESIO IS WINNER IN GOLF SWEEPSTAKES

In the men's sweepstakes at the Truckee golf course Sunday, Ange Besio scored a neat victory with a gross score of 80 and a net of 67. He was followed closely by Bob Moore who had an 86 gross and a net of 70. Bob Leamon was third with a 90 gross, a 16 handicap for a net of 74.

Orf DeLuca said the sweepstakes will be held each Sunday and asked those desiring to participate to contact him.

Bay Guests—

Mr. and Mrs. Walter Barrett have had as their guest this week, Mrs. Donald Harris of Corte Madera who will be accompanied home by Mr. and Mrs. Ermin Barrett of Brisbane.

From Mill Valley—

Mr. and Mrs. Berlenbach have been vacationing at Tahoe and seeing friends. Berlenbach is manager of the Pacific Telephone Company at Mill Valley and formerly held that position in Truckee.

School Additions To Be Studied To Meet Requirement

A study has been inaugurated by the governing board of the Tahoe Truckee Unified School District to determine the needs for additions to the school plants in the area.

John S. Corbin, superintendent of the district, has recommended to the board that after the regular September meeting, a special meeting be held in regard to the projected growth in the area relative to building additions to the schools.

Board Member Paul Rivard recommended that at this special meeting the board should develop a written master plan for the schools and that board members should tour the plants of the district and consult with principals before the meeting.

It was pointed out that the bonding capacity for the district as of September 1, 1961, is \$1,309,000.

Hart Tells Rotary OF Tokyo Conclave

Alan S. Hart was guest speaker at the Truckee Rotary Club Monday night. His topic was the convention of Rotary International held in Tokyo, Japan, this last spring. He compared Japan's Oriental and economic life with that of our own. He said he was amazed at the seemingly complete recovery of the country after the destruction of the last world war.

Hotel accommodations were taxed to the limit, Hart said. They had to care for the 16,000 Rotarians as visitors world wide. With many new luxury hotels being built and with rapid transportation being improved, the people of Tokyo were using this vast number of visitors to learn how to handle the greater crowds expected for their staging of the 1964 Summer Olympic Games.

Hart is the district engineer, di-

TRUCK SPEED LIMIT SET ON NEW ROAD

A truck speed limit of 35 miles per hour has been established on the Airport grade section of U. S. 40 in Placer County, state highway officials announced today at the Marysville district office.

The 2.3-mile reduced speed zone will begin about one-quarter mile west of the new Whitmore maintenance station, about three miles east of Baxter, and extend to one-half mile west of the Blue Canyon Road overcrossing, which is about three miles west of Emigrant Gap.

The order applies to all trucks, trailers, tractors, and semi-trailers.

Enforcement of the reduction from 45 and 50-mph will become effective with the posting of signs during the week of September 4-8.

CAMERON APPOINTED TO IMPORTANT BODY

Senator Ronald G. (Ron) Cameron, Placer, Nevada and Sierra Counties has been reappointed to the important senate fact finding committee on natural resources. This is the permanent committee of the senate which is responsible for the investigation of problem areas concerning oil, gas, mines, soil conservation, boating, small craft harbors, beaches, parks, recreation, forestry, fish and game.

NEW TAX SCHEDULE EFFECTIVE SEPT. 15

A new schedule for the collection of the 4 cent sales tax by retail stores has been prepared by the state board of equalization.

The new schedule, which was authorized by the recent state legislature, differs a little from the accepted schedule which has been in use in the past. It becomes effective on September 15.

Travels East—

Mrs. Jim Cooper is visiting her brother, Don Neubauer and family in Harrisburg, Pennsylvania, stopping en route in Minnesota to see other relatives. The traveler is expected home after the first of September.

Young At 83—

Mrs. Oscar Schumacher was 83 years young on August 12, receiving the good wishes of her many friends for continued good health. Mr. and Mrs. Ed Cohlhauf of Colma were recent guests of the Schumachers.

Several Are Hurt In Series Of Auto Accidents In Area

Four Truckee girls were injured, none seriously, in a Jeep accident just east of Tahoe City Thursday at 1:30 p. m.

The vehicle was driven by Terry Lee Ellis, 16, daughter of Mr. and Mrs. Jack Ellis. According to a report from the highway patrol, the Jeep got out of control and plunged up a rocky embankment, throwing the occupants onto the highway.

Terry suffered a broken left wrist and the other girls had lesser injuries. They were Kitty Ellis, 15, who escaped with minor injuries, Phyllis Ringer, 15, who had a broken jaw and severe cuts and Linda Cabral, 14, who had leg bruises. All suffered painful gravel burn and bruises.

After treatment at the Tahoe Forest Hospital they were released.

Woman Injured

Mrs. Jesse A. Crandall, 31, Truckee was taken to the Tahoe Forest Hospital last Wednesday night when a car driven by Edwin B. Crandall, 31, rolled over near the Squaw Valley road on Route 89. Crandall said he was blinded by the lights of an approaching car and lost control.

Girls Hurt

Three teen age girls were hurt Monday night at 10:30 when the car driven by Leslie Griffin, 16, Reno overturned on a curve near Carnelian Bay. Taken to the Tahoe Forest Hospital were the driver, Carol Ann Pennington, 17, Reno and Jill Vorhies, 16, San Francisco. None was critically injured.

Driver Charged

William Luff, 21, Tahoe City was cited for drunk driving by the highway patrol after his car ran into a red-mix truck operated by George Mowers of Tahoe City in the construction zones near Kings Beach Tuesday.

SIX BABIES BORN AT TRUCKEE HOSPITAL

Six recent arrivals were reported at the Tahoe Forest Hospital during the past week.

Brian David Maas, eight pounds, three ounces, was born to Mr. and Mrs. Dennis David Maas of Kings Beach on August 12.

Mr. and Mrs. Walter John Eckerman of Truckee welcomed their son, Robert John, nine pounds, seven ounces on August 16.

On August 17, Jeffery Lynn Rausch, seven pounds, four ounces arrived for Mr. and Mrs. Phillip L. Rausch of Truckee.

Robin Lynn Mandeville, nine pounds, 15½ ounces is the new son of Mr. and Mrs. James J. Mandeville of Kings Beach, born August 19.

On August 20, Tracy Allen Hunt, six pounds, 5½ ounces, was born to Mr. and Mrs. Jerry L. Hunt of Kings Beach.

That same day, a daughter, seven pounds, 3½ ounces arrived for Mr. and Mrs. William L. Kramp of Tahoe City.

CHURCH RUMMAGE SALE DATES ARE SET

Back to School is the theme of the rummage sale to be held September 6, 7 and 8 from 9 to 5 each day in the Church of the Mountaintains in Truckee.

Donations of clean, serviceable household articles and clothing will be gratefully received at the church edifice on September 4 and 5 or by calling LU 7-3637, 7-3378, 7-3386 for picking up.

Proceeds from the sale will go toward a new film projector for educational purposes in church work.

PHYSICAL THERAPIST OPENS SQUAW OFFICE

Ross D. Scott, a registered physical therapist, has opened offices in Squaw Valley Lodge where he recently arrived from Marysville. The new enterprise is known as the Squaw Valley-Tahoe Physical Therapy Center.

The new facility is fully equipped with the latest treatment apparatus and patients are accepted by medical prescription only.

ANNEXATION VOTE AT SQUAW TUESDAY

Some 60 residents of the Squaw Valley area are eligible to vote in the special hospital annexation election to be held Tuesday, August 29 at the John Mortizia residence where the polls will be open from 7 a. m. to 7 p. m.

The election will decide whether or not the Squaw Valley community shall be annexed to the Tahoe Forest Hospital District.

COALITION IN MAJOR
FEDERAL POSTS IS
ENDORSED BY LEAKE

Paul Leake, Woodland editor and this district's member of the state board of equalization, who visited in Truckee en route to Lake Tahoe this week, endorses the fast shaping coalition government at top level, stating that "perils without precedent be-leaguer and beset us."

A lifelong democrat, Leake said "an alliance of the best minds of both parties is urgent to resolve the Berlin and other of America's crises. It is not of primary consequence that they be republicans or democrats. Neither party has a patent on intelligence, wisdom and vision. Russian missiles do not come equipped with a selector device to spot members of political parties in the event of attack."

He scoffed at the republicans who begged Republican Douglas

Dillon not to accept the secretaryship of the treasury under a democratic president. He also flayed those who tried to persuade Republican Robert McNamara from "falling into line behind the rival McNamara band as defense secretary."

He likewise scored democrats who indicted President Kennedy for not hewing strictly to the democratic party line instead of naming five republicans and one independent to key political positions.

There should not be placid acceptance of everything the administration in power does," Leake emphasized. "The President and Mr. Nixon were right when they argued that the American system works better when the opposition is vigorous and constructive."

"There should be no abrogation of party responsibilities. Thoughtful and principled criticism is vital. We must not be mindless political creatures who troop willingly and unthinkingly

PHONE LINE CHANGE
AT TAHOE RUSHED

The relocation of telephone poles on the Highway 28 widening project between Tahoe City and Stateline is scheduled for completion by the end of this month, Pacific Telephone Manager Len deGallery said.

He said the telephone relocation work is being rushed to speed the highway job.

Some 125 poles are being moved by the phone company and the Sierra Pacific Power Company so the highway may be widened.

The utility companies started moving wires last May so that trees on the highway right-of-way could be cleared.

Telephone cables are being moved now without being spliced. The splices that are necessary won't be done until the fall so as not to interrupt service in the busy summer season.

DeGallery said that so much dirt is being removed in the Kings Beach area that some underground conduits are also being moved.

The dirt is being removed because it is unsuitable as a base for the new highway.

"We're making every effort to speed our part of the work to accommodate highway construction crews," deGallery said.

If every resident of San Francisco were to seek park space at the same time, there would be about 240 people crowded into every acre of every park in the city.

after any leader, whoever he might be," Leake said.

Of those who argue that a coalition government is practical only when there is a shooting war, Leake asked: "why delay our united efforts until the slaughter begins? Didn't we learn a lesson the hard way from the two World Wars and Korea? Are we going to dilly-dally in frivolous political prejudices until we are sunk by another Pearl Harbor or bombed into Kingdom Come?"

"Many among us have been going along with a philosophy tailored for Boss Hague, the old Tammany Hall and President Harding—but in the nuclear age this concept should be dead as a dodo bird."

Leake denied vigorously that the alliance already started by President Kennedy would deeply disturb the two-party system. "There is enough partisan spirit to spare in congress and in our state legislatures to give us more than our fill of politics."

HARRAH'S STAR—Singer Kay Starr, a nightclub favorite, returns to Tahoe Harrah's South Shore Room August 17 for four weeks. Featured comedian in the show will be Guy Marks.

Babies Cost More

SACRAMENTO — (CNS) — Average cost of having babies has almost doubled in thirty years, according to figures from the Health Insurance Institute.

In 1931, it was \$160. In 1961, it has jumped to \$300, the institute says.

The statistical group also pre-

dicted this August will be the highest month for births in the United States for the year. Some 400,000 new ones are expected during the months, as compared to 399,000 for the same month last year.

The 1959 Montana earthquake had a magnitude of 7.1, ranking it as one of the sixth strongest ever to jolt the United States.

DONNER DOINGS

By VIRGINIA O'BEAR

It won't be long now before our children are back in school and most of the vacationers have gone home. I wonder what happened to summer this year? It seems as though it was shorter than usual but maybe it is because most of us are so busy. If we can have a few more months of nice weather, maybe most of us permanent residents can still enjoy a little bit of summer living.

The Milan Wight family left this week for their home in Concord. Milan taught summer school here this year and after hours worked on his summer home. They have a croquet court in their back yard now since having it leveled off and a retaining wall in. This win-

ter they intend to freeze it over and have an ice skating rink in the back yard for the children when they come up weekends.

The St. Claires have been very busy working on their beautiful yard and the Warnkes have a beautiful lawn in front of their place now. The Arvins home is very beautiful this time of year, too. Mrs. Arvin has all kinds of flowers in her yard and believe it or not, she has some apple trees growing and they have survived several winters here. I have hopes now so next spring I am going to see what I can do around our place.

September is just around the corner and many things will happen. First everyone will celebrate Labor Day, then there will be the Swiss wrestling at Donner Lake Lodge on September 16 and 17. Every year the Swiss wrestlers come from all over the country to participate in this annual event. There will be folk dancing the 16th, Saturday night and each year the crowds get larger. The dancers dress in their native costumes and it is really something to see. Wrestling is also different than ours as the fellows use burlap sacks tied around their waists and use the sacks to "pin" the other

fellow down if they can. The following Thursday evening, September 21, the Ladies Auxiliary will have a joint meeting with their husbands and firemen for a Luau and everyone is invited to attend in Hawaiian dress. Hostesses for this delightful affair will be Nancy Brodie, Martha Pankoke, Josephine Hall and Virginia O'Bear. Non-members wishing to attend may do so by telephoning one of the hostesses, for reservations. Next thing in September of interest to men will be hunting season, opening the 23rd. I like September.

Many Donner people have joined the Truckee Donner Horsemen group which is a wonderful thing for our area as well as a wonderful family get together. Some of the directors of this group are Donner residents, too. Frank Snyder and Clarita Richards are officers and Phyllis Snyder is problem secretary until another election is held. Virginia O'Bear will handle the publicity for the club. This group plans many things for the juniors and seniors and a mounted drill team is being organized now. A moonlight ride is tentative for September 1 or 2 with a steak barbecue to be held the same evening. Another announcement will set the definite

LAKE LEVEL

TAHOE CITY — The level of Lake Tahoe Monday stood at 6223.81 feet, Daryl K. DeWalt, the cooperative observer at Tahoe City announced. There was .03 of an inch of precipitation recorded last Saturday. The temperature for the week ranged from 42 to 77 degrees.

NOTARY PUBLIC

SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan today announced issuance of a notary public commission to E. P. Edwards, Box 1238, Truckee.

The United States Post Office Department handles about 65 billion pieces of mail annually.

time and place next week, after the directors meeting. I enjoyed a letter from Arline Johnson this week praising this new organization and Jim Sampson, chairman of the group. Arline said she had 20 people there in Novato who are interested in making reservations for the first ride from Nevada to Donner Park next year in conjunction with the opening of the new Donner museum in the state park. So far, plans are getting bigger and better and the opening of the Donner museum will probably go down in history.

REID COMPETING IN CAMP PERRY SHOOT

CAMP PERRY—(FHTNC)—Ma-
rine S/Sgt. Oren D. Reid, son of
Mrs. J. E. Reid of Donner Lake,
Truckee, is competing in the 1961
National Matches at Camp Perry,
Ohio, July 28 through August 27,
as a member of the Marine Corps
rifle team.Crack marine marksmen are
being pitted against more than
2,000 other top military and civilian
shooters from all over the nation
in the annual matches, known as
the "world series of shooting."observed his 13th birthday with a
dinner party at Bacchi's in Lake
Forest last Wednesday.Mr. and Mrs. Barney Campbell
and daughter Cathy of Tahoe City
spent last weekend visiting in
Yuba City.A week of camping at Yosemite
is being enjoyed by Bill and Paul-
ine Keehn, daughters Charlene
and Christina and son Michael.
Daughter Barbara prefers the city
lights and is vacationing in Sac-
ramento at the same time.Celebrating his 11th birthday
last Tuesday was Breezie Cross,
son of Mr. and Mrs. Charles Cross,
Jr. of Tahoe City.Mr. and Mrs. Norman Dewhurst
returned to their Tahoe home by
plane Monday from Hawaii.The two-year old son of Mr. and
Mrs. Pete Perata of Squaw Valley
was injured in a playground acci-
dent in Tahoe City Monday eve-
ning but was "repaired" quickly
in the doctor's office.Mr. and Mrs. Otis Lyons of Ta-
hoe City were hosts last Friday
night at a "going-away" party for
Lyle and Mary Morris. Mr. Mor-
ris has been on the Truckee High
School faculty for the past three
years but resigned this past June
to accept a teaching position with
the Concord school system in the
bay area.Among those enjoying the party
were Ron and Ivy Kimball, Bob
and Helen Beaverson, Jack and
Betty Starratt, Jim and Bernie
Banta and Jack Van Allen.Three women bowlers partici-
pating in the "Nite Owls" League
on Wednesday nights at the Kings
Beach Lanes are averaging over
160 pins per game. They are Jean
Hansen of Squaw Valley, Pearl
Martin and Maren Sedgwick of
Kings Beach. Adeline Gunkel of
Tahoe Vista is averaging 150 while
Florentine Klein, Lois Watson,
Jan Cordes, Ann Harley, Eileen
Turner, Peg Mandeville and Mary
Lou Waddell are all averaging in
the 140's.Holding first place in the league
is Jetta's team but they are fol-
lowed closely by the Crystal Bay
Club team. The Truckee-Tahoe
Lumber Co. team is in third place
position.Melinda Bechdolt, daughter of
Mr. and Mrs. Carl Bechdolt, Jr. of
Tahoe City, entertained at a swim-
ming party for her young friends
at Bliss Park on Tuesday. The oc-
casion in honor of Mindy's ninth
birthday.Young friends of nine year old
Marta Morris gathered together
at a picnic last Saturday at Tahoe
State Park to bid farewell to Marta
who is moving with her family
this week to Concord.Those enjoying the picnic were

NORTH TAHOE BRIEFS...

... By BETHEL

CORRECTION. Admission Day will not be a school holiday as reported last week. Sorry. School will start on Monday, September 11. Admission Day falls on Saturday—well, we made a mistake.

Lake Tahoe-Sierra Chamber of Commerce held their regular monthly directors meeting which was open to the public for discus-

sion with the state highway representatives and Madonna Construction Company representatives. Present were W. E. Keller, William Briner, Robert Daneri, Carleton Konarske, H. E. McCoskey, Ted Stollery and Bethel Van Tassel; advisory council members present were Pete Bennett, George Phillips, Ralph Sears and Fred Schultz.

Vice President Carleton Konarske presided at the meeting in the absence of President Selby Calkins. Mr. Garcia of the Madonna Construction Company assured the board and members present that construction was on schedule. Base operations are

continuing at Kings Beach and paving will start in about three weeks. Construction has started at Dollar Hill and the hot plant has moved to Deer Park.

Ed Miller, assistant engineer of operations of the state highway department also assured the assemblage that the job was going according to the contract, that the state had sufficient funds for the completion of the construction project, that it would be completed on time, November 2 — if there were no unforeseen delays—even considering an early winter.

Blair Geddes, traffic engineer of the highway department stated there would be parallel parking

on the highway according to state law. As many lanes as possible will be kept clear of snow in the winter. Signals were discussed and Geddes stated all existing crosswalks will be observed, that speed zones will be determined by a study, that speed limits will be kept uniform in the business and heavy residential areas.

Barney Campbell, resident engineer of the highway department, replied to the question regarding the shortcut. It is on schedule and paving will start shortly with completion date around October 1.

Bud Jones, delegate for the Placer County recreation commit-

tee, read the proposed budget, work program and staff needs for 1961-62. No action taken until further study made.

Bill Briner asked that the board support and endorse the plan to have the 1963 Supervisors Association of California Convention at Lake Tahoe. The group would be housed at Squaw Valley and include tours to the surrounding area. This was done.

Deane Seger of the Lake Tahoe Area Council was a guest at the meeting.

Jean and Mike Cinani and sons, Pat and Dickie, former Tahoe Vista residents, are now at home

in Reno. The Cinanis made a six weeks trip to Minnesota, to Detroit to pick up their new Cad, thence to New York to visit friends and relatives.

Bill and Laura Rasmussen of Oakland are house guests of Barbara and Ray Bergman of Brockway.

Dr. S. M. Dingwall of Tahoe City reports he has a beautiful Alaskan Husky, male dog, about a year old, that would make a wonderful pet for some dog-minded person or family. The Husky was found by James Corison of Pine Land and has been boarding with Dr. Ding-

wall, courtesy of Mr. Corison. Phone JU 3-3243 for a wonderful pet—he's yours for the asking.

Charles "Chuck" Bergman, 18-year-old son of Ray and Barbara Bergman of Brockway, has joined the air force and on his way to Texas for training.

"Cookie" Bergman—"Chuck's" sister—had her first flight last week when she flew to Reno to San Francisco. Visited aunt, Pauline Prada, and attended the Ice Follies.

Happy birthday, Pieter Van Tassel, 10 years old on August 15. (Continued on Page 6)

TAHOE BRIEFS

(Continued from Page 5)

Celebrated with cake and ice cream with school and summer friends and attended a movie.

Back from Boston to their

Crystal Bay home is Zoe Ann Jensen and children, Jan, Jon and Jay.

Visitors to Tahoe Vista and Bethel, Jan and Pieter Van Tassel, were Winston Petty and children, Dareth and Johnny of

Brooks, Oregon, and Helen Best and mother, Mrs. Scully of Auburn. Barbecue on the beach was enjoyed by all. Cousins from Auburn, Ross and Ethel McCubbin and daughter, Susie, also spent a day, bringing a lug of Elberta peaches from the Holmes Ranch.

Mr. and Mrs. Tom Coskey of San Jose were guests of Margaret Anderson and Elizabeth Hazen, Kings Beach.

Mrs. A. M. Mull, II, of Tahoe Vista enjoyed luncheon at the Del Paso Country Club at Sacramento

Thursday with Mrs. A. M. Mull, Jr. of Sacramento.

A. M. Mull, III, has opened a general insurance agency, representing several life insurance companies, in the Garrow Real Estate office building, Kings Beach.

Happy birthday, Archie Mull, on Sunday, August 20. And, congratulations on your new office as well.

Jane and Jack Tenneson of Kings Beach attended the 60th wedding anniversary of his parents, Jack and Mabel Tenneson at Los Angeles on July 17. It was a double celebration as Jack Senior's 85th birthday was July 16. Also daughters, Thelma, Alice and Edna, and their families as well as relatives and friends attended the open house.

Diane De Rollin of Santa Monica is visiting her brother and his wife, Steve and Penny Frost at Kings Beach.

Nola Reid of Salt Lake City was a house guest of Bethel Van Tassel of Tahoe Vista.

Back from a week at Long Beach State College are the four Tahoe Truckee song leaders, Karen Smart, Truckee, Patti Lewis, Tahoe City, Cathy Barker, Kings Beach and Janice Roth, Donner Lake. Report a good time was had by all. Many new songs and routines were learned for the coming school year. Janice Roth's mother

accompanied the girls and enjoyed a visit with relatives.

En route home they all had a day touring Disneyland, and as guests of the college the students were taken on a sightseeing tour of Marineland, Long Beach Museum and the Wayfarer's Church.

Happy birthday, Minnie Wagner of Kings Beach.

Carson City Chapel was the setting of the recent marriage of Mr. and Mrs. James Romp. Witnesses were Mr. and Mrs. Walter Johnson. Reception was held at Ziegler in Kings Beach following the ceremony. Both Mr. Romp and Mr. Johnson are with Madonna Construction Company.

"Art in Action" is the outdoor show scheduled for September 2 and 3, Labor Day, weekend, from 10 a. m. to 5 p. m., at the North Tahoe Art Center at Tahoe Vista Lodge and Boat Harbor, Tahoe Vista, according to Dorothy Webb.

Information as to number and type of paintings, framed pictures, etc., may be obtained by phoning Dorothy at LI 6-2358 or writing her at Box 236, Tahoe Vista. Or, writing Tahoe Arts and Crafts, Box 111, Tahoe City, Rod Stollery or phoning Rod at JU 3-4121.

The Art Center at Tahoe Vista was opened this summer and has exhibited many well known artists work.

No host dinner party at Eugene's in Reno will be Saturday evening for several localities and friends in celebration of birthdays, anniversaries, and just celebrating.

Twins, Beverly Newell and Barbara Bergman, celebrate their natal day on August 25.

Jean Cinani's birthday is August 19.

Heleen Carson of San Leandro celebrated her birthday August 20. Art and Aline Bergman of Oakland celebrated on August 15—wedding anniversary.

Pat and Tom Kosky, formerly of San Jose now living in Brockway, celebrate their wedding anniversary on August 24.

Jack and Esther Brown formerly of Kings Beach are celebrating their return to Reno.

Mary Lou and Norman Ironsides of Walnut Creek celebrating their vacation.

Just celebrating because will be Mike Cinani, Gene Carson, Ray Bergman and Walton Prescott.

Our Lady of the Lake Catholic Church at Kings Beach will be the setting Saturday, August 26 for the wedding of Anita Antillion of Kings Beach and Robert Molsberry of Santa Rosa.

Ahlita is the daughter of Louis and Louisa Antillion of Kings Beach.

Roberts parents are Milton and Theresa Molsberry of Santa Rosa. Maid of honor will be Lisa Gruder, bridesmaids, Irma Segura of Costa Mesa and Clemencia De Leon of Los Angeles. Tim Molsberry will be best man and Jim Smith and Rickey Molsberry of Santa Rosa, ushers. Father O'Neill will perform the ceremony.

Reception will be held at Sierra Lodge.

California farmers spent almost five hundred million dollars for hired labor in 1959.

The General Sherman tree in Sequoia National Park measures 36½ feet, five feet above the ground.

Forty-one of California's 58 counties have been declared rabies areas by the state department of public health.

INCLINE BONDS ARE SOLD FOR \$5 MILLION

CRYSTAL BAY — Paine, Webber, Jackson and Curtis, nationally known investment brokers of New York, head a group of four large financial institutions which have purchased the entire Incline Village Improvement District bond issue of \$5,445,378, it was announced today.

Participating with Paine, Webber in the purchase were Goodbods & Co., also of New York; Luce, Thompson and Crowe of Kansas City, Mo.; and Taylor and Company of Beverly Hills, Calif. Sale of the complete issue in one transaction is believed to be the largest sale of improvement bonds in recent Nevada history, according to participants.

ANITA ANTILLON TO WED R. MOLSBERY

KINGS BEACH — Our Lady of the Lake at Kings Beach will be the setting for the wedding of Anita Antillon and Robert M. Molsberry at noon, Saturday, August 26 when Father Patrick O'Neill will officiate at the nuptial mass and perform the double ring ceremony.

The bride-elect is the daughter of Mr. and Mrs. Louis Antillon, residents of Kings Beach for a number of years. Her father will give her in marriage, Mr. and Mrs. Joseph Molsberry of Santa Rosa are the parents of the future bridegroom. Baskets of white flowers with greenery will decorate the church.

Attending the bride will be her

RUM CONSUMPTION HIGH IN CALIFORNIA

SACRAMENTO — (CNS) — If you drank a shot of hard liquor, 1 1/4 shots of wine and an 8-ounce glass of beer every day during the fiscal year ended last June 30, you were at the adult average in California.

That's the report from the state board of equalization today, which said total state revenues from distributions of alcoholic beverages in the 1960-61 fiscal year were \$32,024,579, up 3 per cent for the previous fiscal year.

The bulk of the revenues, or about four-fifths, came from the \$1.50 a gallon tax on hard liquor, with 17.5 per cent from the 4-cent a gallon tax on beer, and the balance of \$784,534 was from taxes on wine.

During the fiscal year, distributions amounted to 28,098,000 gallons of distilled spirits, 232,960,000 gallons of beer, and 34,376,000 gallons of wine.

APPLICATIONS FOR COLLEGE TO CLOSE

Prospective Sierra College students are reminded that they must submit their applications for admission immediately if they plan to enroll this fall.

"All day students are registered by individual appointment," pointed out James E. McClusky, director of admissions. "We must have an application before a student's

sisters, Irma Segura, Lisa Guder and her cousin, Clemencia DeLeon all of Los Angeles. Acting as best man for the future benedict will be Tim Molsberry and Ricky Molsberry and Jim Smith of Santa Rosa will be ushers.

A reception will be held immediately following the rites at Sierra Lodge, Crystal Bay, Nevada.

After the marriage, the young couple will establish their home at Santa Rosa. They are well known in this area where they have resided with their families and attended local schools.

The Pacific Telephone Business Office keeps their "office pet" in the window. The clever window display was designed and made by Marge Easterly, Service Representative. Shown admiring the big green alligator are from left to right Mr. L. R. deGallery, Business Office Manager, Marybeth Endicott, Service Representative and Mr. J. W. Hull, Vice President and General Manager of Pacific Telephone northern counties.

FOURTH DISTRICT IS LEADER IN BUILDING

AUBURN — Building valuation in the unincorporated area of the county totaled \$1.51 million during July, a county building department report indicated, and showed an increase of \$400,000 over July of 1960.

Chief Inspector Jack Bell noted \$1.2 million of the total valuation was for residential structures, with the peak construction activity in the Fourth Supervisorial District.

counselling appointment can be scheduled," he added. Appointments are being scheduled between August 23 and September 1. College officials also announced that all new students will be expected to attend "Introduction to College" on September 7 and 8.

Ellyn Jane Clark Is Married At Oakland

A marriage of interest to Donner Lake neighbors and friends took place August 12 in First United Presbyterian Church of Oakland when Ellyn Jane Clark became the bride of Jack LeRoy Pittsley of Roseburg Oregon at a 4 o'clock religious service performed by Rev. Ernest Volkman.

A reception followed in the Fellowship Hall. Her father gave the bride in marriage. Mr. and Mrs. Elmer Clark of Oakland and Donner Lake are her parents, the family spending much of their time in this vicinity. Mr. and Mrs. Edwin Pittsley of Roseburg, Oregon are the parents of the bridegroom.

Elizabeth Ann Clark attended her sister as maid of honor, the bride's maids were Karen Warness of Oakland and Mrs. David Adams of Arcata.

Botanets of white flowers and ferns decorated both the church and the reception scene. A gown of Chantilly lace and peau de soie, fashioned on princess lines with sequins and pearl applique, the back in a chapel train, was chosen by the bride for the ceremony, the ensemble completed with a crown of pearls and crystals supported the four tiered veil and carried a bouquet of white orchids.

The best man was John Evans, Jr. of San Anselmo, ushers were Craig Warnock, Earl Anderson, Douglas Donaca all of Oregon.

Following a trip to British Columbia, Mr. and Mrs. Pittsley will reside in Milwaukee, Oregon where he is in business and she will teach school. They are graduates of San Francisco State College and Lewis and Clark College at Portland, Oregon.

SPENDING IS AHEAD OF STATE'S INCOME

SACRAMENTO — (CNS) — The state's general fund took in \$50,863,953 during July, less than half the money it paid out, State Controller Alan Cranston reported today.

During the month, government expenses amounted to \$116,292,424. This is typical of the first six months of the fiscal year, when revenues generally fall far short of expenses. In the past several years it has required borrowing from reserve funds, between \$100 and \$140 million. The debts are repaid during the last several months of the fiscal year when revenues from personal and bank and corporation income taxes are received, and when sales taxes from the heavy fourth-quarter are paid.

Revenues for July were up 1.1 per cent from 1960, while expenditures jumped 14 per cent.

PATROL WARNS OF VACATION DRIVING

The adventuresome spirit is a wonderful asset when you are visiting vacation wonderlands, but set it aside while you are behind the wheel, suggests California Highway Patrol Commissioner Bradford M. Crittenden.

"Everyone thrills to the challenge of a mountain hike, a swim in an ice cold stream or the pleasure of a breathtaking view. But when you get in the car, let calm judgment replace the urge for new adventure," he said.

"Competition and individual domination, while desirable in many activities, have no place on the driving scene. Driving is a team effort, where the only victory is won when each driver reaches his objective without injury to himself or anyone else, or damage to his car.

"Three factors should motivate drivers — common sense, observance of the law, and respect for other vehicles on the road. The driver who lets these three tenets regulate his driving attitude will find that automobile operation also can provide satisfaction — the satisfaction of a job well, and safely, done," the commissioner concluded.

DIVOT - DIGGERS

By BETTY KIELHOFFER

We acquired four new members in the Country Club last week, Mr. and Mrs. Barak Wright and Mr. and Mrs. Wayne Hopkins . . . welcome to the fold. This brings our membership up to the grand total of 132. We believe this to be quite an impressive number, considering our club is so new . . . hope all of them that possibly can will come out and qualify for our annual championship tournament . . . the last day for this being

next Sunday. Plans are also shaping up for the first annual invitational, which will be staged on Sept. 3. Local merchants are donating prizes, some of which are already on display at the clubhouse. There will be trophies, too, so hurry and sign up! Our capable president, Charlie Fink and his wife Patti, were out Sunday to qualify, as were Norma Russell, Eva Besio, Majel Rose and Dorothy Leamon. Everyone seemed to be having a bad day scoring . . . I haven't confirmed this, but I believe Angie Besio was the big winner in the

INNOVATIONS CITED IN PHONE ADVANCE

TAHOE CITY—Jack Thomas, of the Bell Telephone research department, speaking at a recent luncheon meeting of the Rotary Club of Tahoe City, told of some of the recent discoveries and inventions that are credited to science.

One such discovery and product through science was a crystal ball, about one and one-half inches in diameter, that will excel the human memory by recording up to 400 bits of information. Another such recorder was a film two by three inches in size. The speaker said the information so recorded is unlike human memory in that it is never lost and can be copied off by a system of figures through an electronic device.

Another discovery, Thomas said, is the use of sand from the ash tray where people snuff out their cigarettes. The sand was found to contain chemicals that has produced a tiny crystal that will eventually replace present tubes in radios and television sets.

The speaker displayed a three and one quarter pound satellite which is the same as the number one Vanguard satellite launched in 1958 and which is expected to circle the earth at a height of 2,500 miles for at least 200 more years. Vanguard I is supplying scientific information, Thomas said. Ned Longe was program chairman. Len DeGallery, local Pacific Telephone manager supplied the speaker.

The meeting on August 18 was attended by 25 members and 30 visiting Rotarians. Gordon Moyer presided.

sweepstakes Sunday . . . one of the nicest surprises I had was to see the Charlie Cozzi family whirling around the course on Sunday having the time of their lives and most any evening you can see, if you look quickly, Claudia and Walt Loynd sneaking in a few holes after a hard days work. Looks as though the pro-am tournament in September will not be using our course, the reason being that there are not enough players for three courses . . . however Jim Hume of the North Shore told me they are attempting to have another tournament the latter part of September and he is hoping to work our course into the plan . . . won't we all be happy when the shortcut is open again. This has been the biggest factor in the slow play on the course this summer, and we are all certain next year's receipts will bear this out . . . the scotch foursome's being held every Thursday night are becoming more and more popular. They begin at 6 p. m. and names are drawn out of a hat so you have a new partner each week. Handicaps are used so don't be afraid to come out. Anyone can win! It's just as Clarence Osburn says, and I quote, "Seems I always get a slicin' ball on the hookin' fairways and a hookin' ball on the slicin' fairways. 'Dat gum it, anyway.'" This is usually followed by his good wife, Ethyl, who says, "Now dad, quit complainin' and shoot." See you there on Thursday.

DONNER SUMMIT PUBLIC UTILITY DISTRICT WATER IMPROVEMENT PROJECT

NOTICE TO CONTRACTORS
Notice is hereby given that the Donner Summit Public Utility District, Soda Springs, Nevada County, California, will receive bids for furnishing all materials, labor and services for the construction of a water improvement project.
Each bid shall be in accordance with the plans, specifications, and other contract documents. Copies of plans, specifications, and contract documents are now on file in the office of the Donner Summit Public Utility District, Soda Springs, California, where they may be examined and copies obtained upon deposit of ten dollars (\$10.00) per set, seven dollars and fifty cents (\$7.50) of which will be refunded per set upon return in good condition within fifteen (15) days after the bids are opened.

Bidders are hereby notified that the Donner Summit Public Utility District has ascertained the general prevailing rate of hourly wages and rates for legal holidays and overtime work in the locality where this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded to the successful bidder, which rates are set forth in the Instructions to Bidders.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Notice is also hereby given that all bidders may be required to furnish a sworn statement of their financial responsibility, technical ability, and experience, before award is made to any particular bidder.

Each bid must conform and be responsive to this notice, and shall be made on the official Proposal form furnished with the contract documents. Bids shall be sealed and filed at the office of the District, Soda Springs, California, on or before September 5, 1961, at 8:00 o'clock P. M. at which time and place they will be opened and publicly read aloud.

Each bid shall be accompanied by a certified or cashier's check or satisfactory corporate surety bid bond for not less than ten per cent (10%) of the amount of the bid, made payable to the order of the Donner Summit Public Utility District. Such check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him, and will be declared forfeited if the successful bidder refuses to enter into said contract and give the required contract bonds within fifteen (15) days after being notified so to do by the District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty per cent (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred per cent (100%) of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the District.

The District reserves the right to reject any or all bids or waive any informality in a bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Tuesday evening Bible study—home of Bob Fitz in Tahoe City, 7:30.
Wednesday evening Bible study home of Dallas Hughes in Kings Beach, 7:30.

In the future Pastor Rhoades will devote his full time to the ministry. For several years it has been necessary for him to engage in secular work in order to remain in the community. But the time has come when the work has reached sufficient proportion to merit a full time pastor. It is the

belief of Rev. Rhoades that the needs of the family will be met through the ministry.

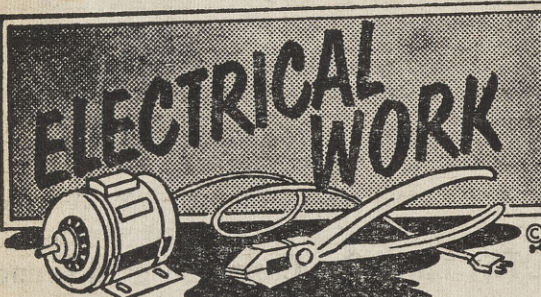

Pastor Rhoades would welcome any calls at his home in Gateway for counseling or advice. Telephone LU 7-3716 to make appointments.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Evening services will be held the third Wednesday of the month during July, August and September only.

Significance for today of the healing theology of Christ Jesus will be explained at Christian Science services Sunday.
Scriptural readings in the lesson-sermon entitled "Christ Jesus" will include this verse from Matthew (9): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"The highest earthly representative of God, speaking of human ability to reflect divine power, prophetically said to his disciples, speaking not for their day only but for all time: 'He that believeth on me, the works that I do shall he do also; and 'These signs shall follow them that believe' (p. 52).

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — Regardless of the merits, if any of the demerits of the John Birch Society, of which there appear to be many, Attorney General Stanley Mosk somehow seems to have kicked his foot when he described the make-up of the organization as composed partially of "little old ladies in tennis shoes."

In fact, he is being reminded of this remark, contained in a personal description of the society, by receiving pairs of tennis shoes, old and worn out, in the mails.

As a class, the government of both federal and state jurisdictions seem to resent wealthy businessmen, despite the fact these same wealthy businessmen provide an disproportionate share of the taxes which keep the governments going.

And as a class, retired military officers are not much in favor with the governments either. These were the other two categories which Mosk defined as the make-up of the society.

But "little old ladies in tennis shoes" fall in a different category, and it is to them this column is directed. And they do not necessarily belong to the John Birch Society either, in fact, most of them don't.

The "little old ladies in tennis shoes," as Mosk defines them, just happen to be the back-bone of the state and nation.

These are the "little old ladies" who a couple of generations ago were young matrons married to young men whose inspiration they were. And at the instigation of these "little old ladies," these young men marched off the World War I, intent on saving their way of life, their homes and their families from the heel of the aggressor.

And while their men were gone, these same "little old ladies" borrowed every sewing machine they could lay their hands on to make surgical dressings. They knit sweaters, and performed other tasks that people at home could perform, unstintingly.

They lived through World War II, and saw their sons march off again to a newer and more vicious war and they helped their daughters live through a trying time of loneliness and hope that their men would return.

And now, having reached the twilight of life, they live in the shadow of World War III and the omen of disaster from weapons yet untried!

It is small wonder then, that as Mosk says, "they are bound together by an obsessive fear of communism, a word which they define to include any ideas differing from their own."

Mosk perhaps does not realize that "the little old ladies in tennis shoes" aren't afraid of communism, and fundamentally, they aren't afraid of anything else. They have been through the wars, and should another one come along, will take it in their stride,

**UTILITY ASSESSMENT
IN COUNTY IS HIGHER**

SACRAMENTO — (CNS) — The state board of equalization approved final assessments of public utility property for 1961 with a net increase of \$281,316,450 for the property assessed by the board.

Total state assessment amounted to \$4,065,771,880. The increase was 7.43 per cent over the 1960 assessments.

The 1961 assessment in Nevada County totaled \$15,820,730, an increase of \$1,041,180 over 1960, or 7.04 per cent.

The final assessment figures

as they did I and II.

But they are concerned over their way of life, their children's way of life, and the future of their grandsons and daughters. And if a few of them join up with a questionable society in the hope of alleviating their concern, who is qualified to point the finger of scorn or levity at them?

NOTICE OF HEARING

**VARIANCE FOR SIGN
TAHOE CITY**

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission, first hearing on Friday, August 25, 1961 in the Supervisors' Room, Court House, Auburn, California, at the hour of 10:30 a. m., second hearing on Friday, September 15, 1961 at Tahoe City Community Center Building, Tahoe City, California, at the hour of 10:30 a. m.

To consider the application of Standard Oil Company of California for a variance to allow one Neon sign to extend to the front property line, to replace existing sign; also to allow said sign with a total square footage of 165 square feet rather than the maximum of 50 square feet now provided by Ordinance 108-B. Said variance is requested on the following described property; hardship being to improve visibility of "Standard" identification sign and modernize the appearance, said replacement will not alter existing overhang.

The Northwest side of State Highway 89 (in front of Tahoe City Golf Course); Assessor's Parcel No. 82-29-02, North half of Section 7, T 15 N, R 17 E.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

HARRY STUBLEY, Secretary
Placer County Planning Commission

MARIAN LIEBENGUTH
Clerk of said Commission

Dated: August 14, 1961
Publish: August 17, 1961
August 24, 1961

will be transmitted to assessors in all California counties for use in levying county taxes.

Although some of the utilities filed protests against the rates fixed by the board, it is not expected the protests will be upheld. Utilities protest on the ground they are assessed at 50 per cent of market value of their properties, while private property is assessed by counties at only 25 per cent.

NOTICE OF HEARING

**ADDITION OF LANDS TO ZONE
DISTRICT AREA NO. 7
PLACER COUNTY, LAKE
TAHOE, CALIFORNIA**

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission, first hearing on Friday, August 25, 1961 in the Supervisors' Room, Court House, Auburn, California, at the hour of 10:00 a. m., second hearing on Friday, September 15, 1961 at Tahoe City Community Center Building, Tahoe City, California, at the hour of 10:00 a. m. to consider a petition submitted by property owners in the existing Zone District Area No. 7 in the vicinity of Homewood to Chambers Lodge at Lake Tahoe to amend Section 15.7, Placer County Ordinance 108, Series B (County Code Appendix A, Section 15-7, page 238). Said addition of lands to the existing zone is requested in order to classify said lands as single family residential, pursuant to Section 5 of Ordinance 108-B, excepting therefrom those areas of existing multiple family and commercial use, which shall be classified according to their present use.

The lands proposed to be added to Zone District No. 7 are described as follows:

The lands in Section 1, T 14 N, R 16 E, M.D.B. & M., lying Westerly of the existing Zone District Area No. 7 boundary; Section 12, said Township and Range; Section 13, said Township and Range; N 1/4 of Section 24, said Township and Range; NW 1/4 of Section 18, T 14 N, R 17 E; all the lands within Section 7 said Township and Range lying Northerly and Westerly of the centerline of McKinley Creek, said centerline being the Westerly boundary of Zone District Area No. 3, said Ordinance.

At said hearings all persons in favor of the reclassification and all persons opposed thereto may be heard.

HARRY STUBLEY, Secretary
Placer County Planning Commission

HORSEMEN

(Continued from Page 1)

There is a junior and senior group of riders and the junior group will have a drill team to participate in parades and rodeos. The junior group met on August 18 for practice and will also join the senior group activities.

It was also stressed that one need not own a horse to belong, and this is not a purely social club, it is to be a club with a purpose and a civic value. There will be various committees to handle the training and instruction for new riders, for membership, for social events such as rides, dances, picnics and other fun projects in which the club will participate. Each member is to do their part and there are to be no bystanders.

For people who want to join and not ride, the club offers other fun participation such as hay rides and buggy rides with opportunities to join in with dances, etc. There is no age limit, anyone can join.

ROTARY

(Continued from Page 1)

vision of highways with offices in Marysville. Being the incoming president of Marysville Rotary, he was a delegate to the convention. His wife accompanied him to Japan. She also attended the local Rotary meeting.

During the dinner hour for the service club, Mrs. Hart was entertained in the adjoining dining room of Donner Lake Lodge by the following ladies of Rotary: Eula Sherritt, Sylvia Cross, Hazel Coulson, Rheta Dennis, Bobbie Drummond and Katherine Hubbard.

These ladies joined their husbands for the program. Guest of Rotary were: Fred Laster and Lee Hawkes, resident highway engineer; and Herb Booth, general superintendent for Guy F. Atkinson Construction Co. The meeting was conducted by President Harold Drummond. Jim Sherritt was program chairman.

Purposes Of State Stations Revealed

By Alton S. Beck

SACRAMENTO (CNS) — Do the border inspection stations maintained by the California department of agriculture really serve any useful purpose?

That question is probably asked repeatedly by the tourists and out-of-state families moving in California every year as well as by native Californians who regularly pass through the border stations. E. A. Breech, chief of the department's bureau of plant quarantine, answers the query this way:

"It's a form of insurance." Without the border stations, pests that are unknown to California farms may gain entry and cause an immense damage to the fruits and vegetables grown in the rich Central Valley. But is the insurance too expensive? Are enough insects intercepted at the border to make maintenance of the stations worthwhile? Why don't other states protect their farms with a similar chain of highway inspection stations?

"There are four special conditions in California," Breech says, "that make the nearly \$1½ million a year spent for plant quarantine a cheap enough insurance."

"First, California supplies one-third of the nation's fresh fruit and vegetables, most of the nation's dried fruits and nuts, and a large share of sugar beets, cotton, flax and potatoes. These are 'high investment' crops compared to field crops such as wheat and corn. A sudden pest outbreak would cause tremendous losses."

"Second, there's an extensive range of climate and variety of crops in California. More than 200 crops are grown from humid to arid areas. The state would offer a happy home where almost any insect or plant disease could thrive once brought in."

"Third, California has ideal natural barriers: ocean, high mountains and desert. Plant pests aren't likely to find a way into the state unless man brings them in."

Fourth, farming methods in California would allow the rapid spread of insects. Large areas are devoted to one type of crop, and an established pest would chew its way from one field to another."

"Since California enjoys this agricultural isolation, it seems reasonable that efforts should be made to keep it that way. That's why border stations at the 18 highways leading into the state have been operated since 1921 when highway travel began to increase. During 1960 these stations inspected more than 5 million vehicles and found nearly 15,000 parcels of infested fruit or vegetables. The number of insects 'hitch-hiking' has increased in proportion to the increase in traffic over the years."

"The plant quarantine bureau has a force of more than 200 men, including inspectors at international airports and seaports. Railroads, in cooperation with the bureau, do not sell restricted fruits and vegetables on passenger trains. Rail shipments of produce are inspected at depots by county agricultural commissioners administered by the bureau."

Nobody knows, Breech says, how much money his bureau's work might save California agriculture. Estimates show that the prevention of cotton boll weevils alone (16 were found at border stations last year) could save the state's cotton crop a potential annual loss of \$35 million.

The guards at California's borders enforce a plant quarantine that Breech compares to "public health quarantines which prevent the spread of disease among humans."

BOARD ASKS TAHOE GARBAGE SCHEDULE

AUBURN—The Tahoe Sanitary Service has been requested to submit a fee schedule for garbage collection in the Tahoe City, Lake Tahoe, area to a county committee set up to review the charges for service.

The review was asked by the board of supervisors after residents and businessmen in Tahoe City protested an increase in monthly rates.

Franchise holder Ralph Stepp of Tahoe City told the board the increase was charged for collecting refuse from more than one container. He said the rate is \$3 for one container.

VACATION BOUND

Mrs. Harold Langille and Marcia Leamon returned after spending several days in Berkeley and Sebastopol. Marcia later left for Tahoe with the James Leamon family for a week's stay, her brother, Bruce having spent the previous week at South Tahoe.

San Francisco's white population, according to the 1960 census, was 604,403 out of a total of 740,316.

WHAT 'IN STOCK' MEANS TO YOU

When your physician has prescribed medicine for you, it's important to you to have your prescription filled promptly. Yet, the pattern of Medicine and Pharmacy is ever-changing. Last year alone, more than 500 new drugs and new dosage forms were introduced by American pharmaceutical manufacturers.

No pharmacy in the world carries all known medications in stock at all times. But each time an important new therapeutic development is introduced, we make it a practice to include it in our inventory immediately, before we receive a prescription for it.

When you express confidence in us by bringing us your prescription, you can rest assured that every effort has been made to have the drugs you need "in stock" . . . to fill your prescriptions promptly.

ELSIE HIX

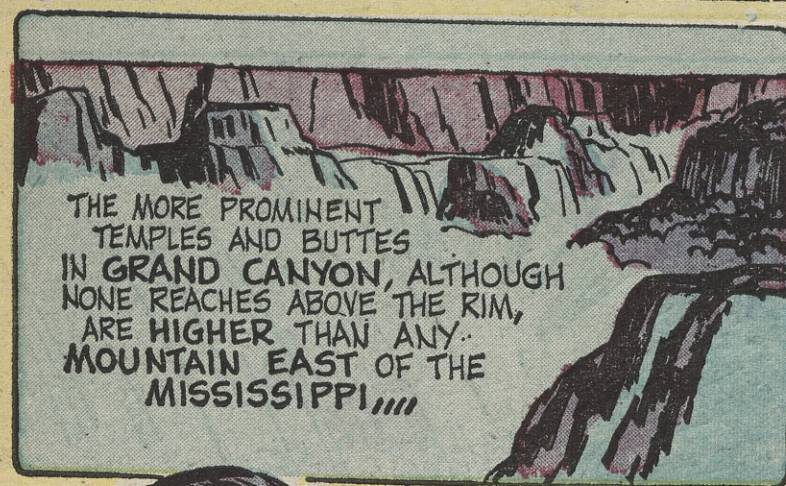

THE LONG, LONG TRAIL!

THE APPALACHIAN TRAIL,
LONGEST MARKED FOOTPATH
IN THE WORLD,
BEGINS IN CENTRAL
MAINE AND ENDS
ON MT. OGLETHORPE
IN GEORGIA--
2,050 MILES AWAY!

IT PASSES THROUGH
14 STATES,
2 NATIONAL PARKS,
8 NATIONAL
FORESTS!

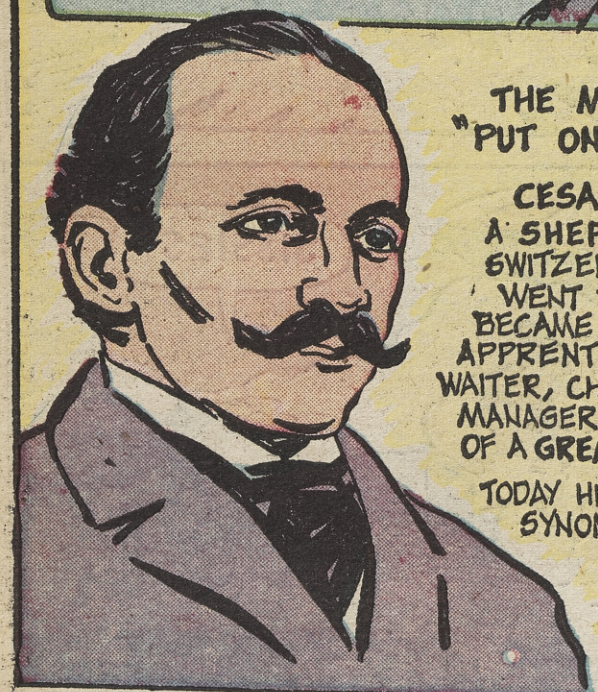

THE MORE PROMINENT
TEMPLES AND BUTTES
IN GRAND CANYON, ALTHOUGH
NONE REACHES ABOVE THE RIM,
ARE HIGHER THAN ANY
MOUNTAIN EAST OF THE
MISSISSIPPI

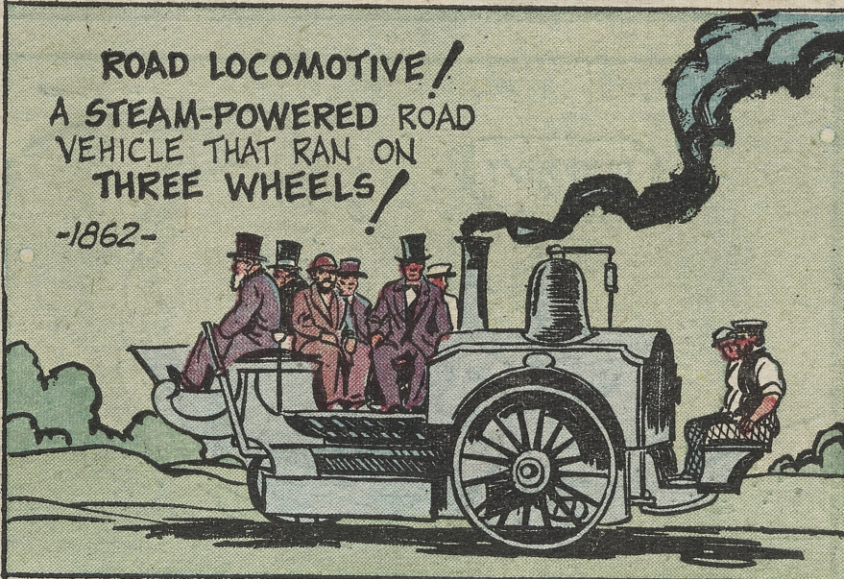

THE MAN WHO
"PUT ON THE RITZ"

CESAR RITZ--
A SHEPHERD IN
SWITZERLAND, AT 15
WENT TO PARIS,
BECAME A KITCHEN
APPRENTICE, ROSE TO
WAITER, CHEF, MAITRE D'
MANAGER AND FOUNDER
OF A GREAT HOTEL CHAIN
TODAY HIS NAME IS
SYNONYMOUS WITH
LUXURY!

ROAD LOCOMOTIVE!
A STEAM-POWERED ROAD
VEHICLE THAT RAN ON
THREE WHEELS!

-1862-

WHEN YOU TOUCH
A GROUNDED
OBJECT AFTER
YOUR BODY
ACQUIRES A CHARGE
OF STATIC
ELECTRICITY--
THE PRESSURE
MAY BE AS MUCH
AS 10,000
VOLTS!
